PROFILE

Pursuing Third-year BSC Information Technology student with foundational knowledge in web development, API integration, and database management. Experienced in building responsive and user-friendly applications. Eager to learn, grow, and contribute to impactful projects while enhancing technical skills in software development.

PROFESSIONAL EXPERIENCE

Actively seeking opportunities, including internships and full-time roles, to apply my technical knowledge and gain hands-on experience in web development and software engineering by contributing to impactful real-world projects.

PROJECTS

Steganography Application

I Had Developed a desktop application using Python for securely hiding and revealing text messages within images using LSB (Least Significant Bit) steganography technique.

Skills Used: Python, Tkinter, Pillow, Stegano, GUI Development.

- user-friendly GUI built with Tkinter for seamless interaction.
- Image selection, message hiding, and message revealing functionalities.
- Utilized the Pillow library for image processing and the Stegano library for steganography.
- Ensures confidentiality by embedding secret messages in PNG/JPG files without noticeable changes.

From this project I had Enhanced understanding of cryptographic techniques and GUI design, while improving image processing capabilities.

SKILLS

Technical Skills:

- Programming Languages: Python, Java.
- Software and Tools: Visual Studio Code, Python IDLE, Oracle SQL.
- Web Development: HTML, CSS, JavaScript, Bootstrap, jQuery.

Soft Skills:

- Communication: Effective verbal and written communication skills.
- Teamwork: Proven ability to collaborate within group settings.
- Problem-solving: Strong analytical and problem-solving skills.

EDUCATION

P. D. Turakhia Junior college of commerce and science

Mumbai, IND

Higher Secondary School Certificate

2019-2020

Nagindas Khandwala College

Mumbai, IND

Bachelor of Science in Information Technology

Expected Graduation: June 2026
